

WARRIOR

WARRIOR 1988 WYANDANCH MEMORIAL HIGH SCHOOL

We have now reached the crossroads of our lives and we stand before them trying to make a decision as to which road to take. This decision is ours, — and ours alone.

Gone are the days when we were coaxed by our parents to get out of bed, for another day of school was beckoning to us, just on the other side of the door. We must assume responsibility, which is now ours, to go forth into the world, of which we have had little prior knowledge, in our twelve years of school.

We are grateful to the parents and teachers who have guided us this far. Through class unity pride, and self respect we have learned that future obstacles may be great, but we will not let them defeat us.

Our future lies ahead of us, the crossroads ever present. Behind us permanently etched, are the fun-filled days of yesterday at Wyandanch Memorial High.

— Narja Cataldo

Achievement for All

"A Past To Remember, A Future To Mold"

A past to remember, A future to mold.
These are the good times and bad times,
till we grow old.

We learn about things and share them on the way,
hopefully to reward us in successful
future days.

Our memories of the past
make us cry, to know that some day you will
be proud to say, "I graduated from the school
of Wyandanch High."

That cry that we feel will come
from the heart, so everyone
will know we struggled hard from the start.

To The Graduating Class of '88

I am most sentimental about this graduating class. I had the privilege of teaching many of you as a classroom teacher. I congratulate you on your educational attainment.

I encourage you to let excellence remain an important goal for you; that the ideas and values that often make the difference between success and failure be an essential part of your lives.

Assistant Principal

Graduates,

I congratulate you. This class has been one that has tasted almost completely of Regents mandated changes and technological advancement in the high school. I am confident that this graduating class is better prepared to adapt to the demands in the work place and at college.

As you leave this high school I hope that *Achievement For All* will remain your experience.

Wyandanch's football team, coached by Coach Cusumano, completed the regular season with its first ever undefeated season 7-0-0 and the Division VI Championship. Led by seniors Fitzgerald McKinnon, Craig Slaughter, Oliver Bridges, Omar Ellison and Marquel Jones, the Warriors entered the playoffs to avenge their 1986 loss in the Conference III Championship game. Armed with an offense that averaged 32 points and 311 yds per game, and a defense that only yielded 9 points per game, the Wyandanch Football team won the Conference III Championship with an unprecedented 10-0-0 record. Therefore, during the 1987-1988 school year, the home of Rutgers, football's highest trophy, is at Wyandanch High School!

The 1987-88 Lady Warrior Basketball Team is one of the strongest teams N.Y.S. has ever seen. They are culminating another winner. They have all played basketball since the 7th grade. They are the tightest group of seniors ever assembled on one team. Last year's record was 29-1, winning The Suffolk County Championship, the Class C New York State Championship, and the Class C New York State Federation Championship. They are currently 23-0, with 8 returning players from last year's team. The Lady Warriors will be prepared to take on the tasks that are needed to have a successful season.

The Wyandanch Boys' Varsity Basketball Team has gotten off to a great start. They are currently 15-5 overall, and 9-3 county class. The Warriors are coached by Mr. Carl Gainey. Mr. Gainey has been a social studies teacher in Wyandanch for sixteen years and has been the Warriors' coach for the last 12 years. He is assisted by Quincey Simpson, who in his senior year at Wyandanch, played for Coach Gainey.

I am looking forward to the spring, this year, for a very exciting baseball season. With the newly renovated field, and schedule, things are really looking up for Wyandanch Baseball.

This year we are no longer playing a league V schedule. The baseball team will be playing teams of equal enrollment, which will make us much more competitive this year.

Although we go into this season with only 2 seniors, Mark Tirotta and Adoney Cedeno, the team is strong with leadership. With the help of tri-captains, Joe Burgos, Mark Tirotta (3rd year starters), and Alando Lawrence (2nd year starter), we will have a very hardworking, young enthusiastic team. Our goal is to be the first winning baseball team in many years!

NEWSPAPER STAFF members are dedicated to reporting school and community events. The newspaper staff consists of students from grades 9-12. Their time and efforts have given us a school newspaper that we can be eager to read, be informed on current events, and be proud of.

F.B.L.A.

The purpose of FBLA is to provide opportunities for students in business and office education to develop vocational and career supportive competencies and to promote civic and personal responsibilities. The Wyandanch chapter of FBLA entered the district and competition at SCCC in Riverhead and held high hopes of entering the state competition in Niagara Falls, N.Y. The chapter was involved in various fund raising projects to support competition entrants.

Leadership skills gained through involvement in FBLA enables students to develop to their full potential.

The Wyandanch High School Student Council is a very important organization in the school. The Student Council is made up of a group of students who help in making changes to benefit the student body. Advised by Mrs. Manfre and Mr. King, the Student Council has given service to other school organizations in fund raising and party decorations. The Student Council has also been helpful in the bus situation which provides students in extracurricular activities with transportation. The Student Council is a great organization to participate in, and in the years to come it will be even greater.

The Driver Education program under the direction of Mr. Irwin Schweitzer, sets forth, among its goals, to insure that each student shall become a safe, defensive driver.

The results are recognized by insurance companies that give a 15% reduction in the cost of insurance to each student until they reach the age of 25. They also receive senior licenses at the age of 17 in conjunction to receiving a half credit towards graduation. Any student in a work/study program is given a form that permits them to drive to and from work with a class 6 license. Driver's Ed helps our students to be safe, responsible drivers.

FRENCH CLUB

The French Club, under the leadership of Mrs. Simmons, consists of students who are interested in learning about the language and culture of French speaking nations. A play, and other activities this year provided students with an opportunity to experience life in other countries.

STUDENT AND Business Alliance (SABA)

The Wyandanch "School and Business Alliance" has been established to promote local partnerships between the public school and the private sector. Its aim is to unite business and organized labor with students, educators, and the community. In addition, SABA is working to provide opportunities for training, employment, and post secondary education. The program represents a positive response to the needs of business for employment-ready youth by ensuring that high school students graduate with basic academic and employment skills and values necessary to function productively in the work place. Presently, fourteen students from Wyandanch High School are employed in entry level positions gaining training and developing skills. This exposure is an excellent opportunity for students to become familiar with the world of work. Mr. Battie assumes the role of Co-ordinator and Mrs. L. Harris is the Industry Liaison and aide to the students for job preparation.

1988 Warrior

The school yearbook is an established tradition. Our yearbook, a pictorial account of the most important years of a student's life, is an important ingredient in that nebulous quality known as school spirit. Mrs. Bonaparte, our advisor, and a very capable and energetic student staff have developed the WARRIOR, which captures forever the events and emotions of the 1987-1988 school year.

MARCHING WARRIORS

ACHIEVEMENT FOR ALL

The award winning Wyandanch Marching Warriors, brings much entertainment to the district. Indeed they are in great demand to perform in and outside the New York State area. Under the direction of Mr. Frank Abel, the unit has performed in many parades, concerts, and competitions in the tri-state area. With much community support, the band continues to excel. Indeed, the Wyandanch Marching Band was invited by Newsday to participate in the Band Festival, which consisted of many bands from the tri-state area. Wyandanch, incidentally came in second. Wyandanch is on the move!

Dance Ensemble

The Wyandanch Dance Ensemble under the tutelage of Mr. Wayne Hayes, brings much excitement to the district and community. The ensemble has performed at numerous school functions and community activities. They are in great demand outside of the district as well, and often perform for other school districts. Each performance is superb and with the help and encouragement from students, parents and faculty, the Wyandanch Dance Ensemble will continue to excel.

EDITOR-IN-CHIEF

To The Class of 1988

I must say we finally made it and what a day it is to remember! Throughout our school years, I've seen new and old friendships become most valuable. We have all grown together and now we must part to succeed in pursuing our goals. To all the teachers who have given us the best of their knowledge and who have encouraged us to move on and do the best that we can, "We Thank You The Most." I would like to thank especially, Mrs. Bonaparte for all the time she dealt with the ups and downs of this yearbook, and staff. To the yearbook staff, it was a pleasure to work with you. To Mrs. Nelson, we thank you for all the things you've done to keep us working together as a group in spite of the times when we seemed to get out of hand.

To Mr. Sunheimer, Mr. Battle, Mr. Sanders, Mr. Eisen, Mr. Fusco, and Mrs. Huie, I especially thank you for the time and patience you've shown with this book and class. To Mr. Fuller, Mr. Hill, Mrs. Scheidegger, Mrs. Goldstein, Mr. Gainey, Mr. Cusumano, and Mrs. Bonaparte, I will miss you all very much. Thank you for the understanding and caring. Good Luck with the future classes to come! To my family and the Evans family and my sweetie, I'm glad to say, "I finally made it and I thank you all for being there and caring when I needed you most."

To My Belated Mother, "Mommy I Love You." "I'm finally getting out." "I miss you dearly and wish you could be here in person to see this, even though I know, in spirit, you will be."
"Thanks!"

DEDICATION

We, the Class of 1988, dedicate this yearbook to you, Mrs. Nelson, to show that we are very grateful to you for this very successful year. Your tireless fund-raising activities these past two years, enabled our class to enjoy an exciting and fun-filled senior year. Your dedication in following each project through to completion, in spite of the numerous problems and obstacles, are qualities that will be remembered for many years to come.

So again, thanks Mrs. Nelson for your support and encouragement.

From the Class of 1988

SENIOR CLASS PRESIDENT

Helen Irby

To The Senior Class:

We have reached a time in our lives, where we are happy, but sad because we are departing from a setting in which we are familiar to a setting in which we have no prior knowledge.

I hope that I have fulfilled my duties as president to my class with accurate, colorful, and direct details. My friends, we must never forget the words of Ralph Waldo Emerson who said, "The power which resides in him is now mature, and no one but me knows that which he can do; he knows not until he has tried."

My friends ask yourselves these questions:

- 1) What do you want out of life?
- 2) What are your needs physically, mentally, and spiritually?

In order to answer these questions, know your values, goals and the method in which you will use to get them. As we cross over into a new horizon my eternal friends, may we never forget "We are today's choice and today's challenge."

Wyandanch students don't ever forget "We are today's choice and today's challenge."

A VERY SPECIAL DAY TO REMEMBER IN WYANDANCH, N.Y.

April 8, 1988, Rev. Jesse Jackson, The *Black Presidential Candidate* came to Wyandanch. People came from many towns and other states. The High School Marching Band played for Rev. Jackson as he first came on the school grounds. What a beautiful sight to see! Rev. Jackson talked with the children in the auditorium. He asked some basketball players how many hours a day they spent studying for school — 3 hours a day, 2 hours a day or one hour a day? Then Rev. Jackson explained the importance of school and hitting the books. The children all felt very special when Rev. Jesse Jackson finished talking to them.

IN MEMORIAM DEMETRIA CUMMINGS (1969-1988)

A DREAM UNFINISHED

ONLY a dream unfinished; only a form at rest
With weary hands clasped lightly over a peaceful breast.

And the lonesome light of summer through the open doorway falls.
But it wakes no laugh in the parlor — no voice in the vacant halls.

It finds no spell of music over the slumbrous air;
It meets no step on the carpet — no form in the easy chair.

It finds no queenly presence blessing the solitude
With the gracious benediction of royal womanhood.

It finds no willowy figure tilting the cage that swings
With the little pale canary that forgets the song he sings.

No face at the open window to welcome that fragrant breeze;
No touch at the old piano to waken the sleeping keys.

The idle book lies open and the folded leaf is pressed
Over the half-told story while death relates the rest.

Only a dream unfinished; only a form at rest.
With weary hands clasped lightly over a peaceful breast.

The light steals into the corner where the darkest shadows are,
And sweeps with its golden fingers the strings of the mute guitar.

And over the drooping mosses it clammers the rustic stand,
And over the ivy's tresses it trails a trembling hand.

But it brings no smile from the darkness — it calls no face from the gloom —
No song flows out of the silence that aches in the empty room.

And we look in vain for the dawning in the depth of our despair,
Where the weary voice goes wailing through the empty aisles of prayer.

And the hands reach out through the darkness for the touches we have known
When the icy palms lay warmly in the pressure of our own:

When the folded eyes were gleaming with a glory GOD designed
To light a way to HEAVEN by the smiles they left behind.

Only a dream unfinished; only a form at rest
With weary hands clasped lightly over a peaceful breast.

You have to believe that's what we were told.

Not knowing where all our effort
Now each of us will go our own way.

To meet our future,
To give it a good try!
